## ICONIC TEXTURE

The tile features a warm beige colour, reminiscent of sandy shores and coastal landscapes. Its smooth finish adds a touch of sophistication, making it suitable for Elegant Ambience

PARKING TILES

A photograph of a grey parking tile floor. In the upper left corner, there is a wooden cutting board with a metal spoon resting on it. A dark bowl is partially visible behind the board. The floor tiles are square and have a textured, slightly grainy surface. The lighting creates soft shadows on the tiles.
